

CUSTOM LIGHT FIXTURES

To complete the model number, replace XXX with any finish code -- **AB, AP, BQ, BS, GES, ORB, SW, VNB, VS** and **WW**.

Included finial packs have 3 versions of plates for various pull chain configurations, no hole, 1 hole and 2 hole options. See page 8 for images of finishes. Please note that the pull chain can be removed when the ceiling fan is installed with a light control system. **Add a wet location plate to any wet rated custom light fixture for outdoor use (WLP100, WLP200, pg 181)**
